

Quadiant changes its ticker and is now listed under QDT

Paris, September 25, 2019

Quadiant, a leader in business solutions for meaningful customers' connections through digital and physical channels, announced being listed as of today under the QDT ticker in place of NEO.

As a reminder, on September 23, the Group announced its decision to change its name to Quadiant in place of Neopost. The choice of a unified and modern brand is the result of implementing a new Group organization as part of the Group's "Back to Growth" strategy, moving away from a holding company operating independent businesses to a single company with an integrated portfolio of solutions.

The ISIN remains unchanged at FR0000120560.
