IS 440
MOVE YOUR MAIL WITH PRACTICAL INTELLIGENCE

PERFORMANCE ASSURED

• Ergonomically designed with whisper-quiet operation

• Automatic feeding for fast batch processing

• Dashboard display with operational overview

• Options from 3Kg to 35 Kg weighing platform

EFFICIENCY OPTIMISED

• Postal Rate Wizard, on hand assistance for the occasional user

• Quick rate shortcuts for fast, direct access

• Shortcut keys for instant function selection

• Automatic date setting with time preset

• Download postage easily & quickly through analog telephone line or LAN

COST CONTROL

• 6 digit alphanumeric password protection helps you control usage

• Default rate setting helps eliminate accidental mis-posting

• Usage of postage can be managed through departments

• MIS available for postal usage

STAY CONNECTED WITH LAN

Save time and increase efficiency by taking advantage of the LAN connection included as standard across the IS Range.

With the ability to connect to almost any network type automatically the constant connection allows for statistic uploads, rate change updates, recrediting, system upgrades and all other downloads to be completed with ease. Running securely via your internal network, the LAN connection removes the need to find and use a traditional analogue phone line.

PRICING YOUR MAIL HAS NEVER BEEN EASIER

Don't be confused by postal rates. Let the IS-440 Rate Wizard give you a hand so you don't have to be a postal expert.

Whatever rate you need is in the IS-440. Save even more time by eliminating keystrokes when you select the mail class you need from the rate shortcuts menu.

From single envelopes to larger packages, you'll have the flexibility you need to weigh and manage your mail with ease.

EASY TO USE OPERATIONAL CONTROL

An intelligent operating panel puts even the occasional user in control with a simple-to-use navigational menu.

Eliminate errors and improve productivity with a host of smart functions and effortless menu prompts that deliver the extensive features of the IS-440. Benefit by using the failsafe Rate Wizard – just like redialing a number on your mobile phone, and easy-to-use shortcut keys that save you time.

NEVER OUT OF INK

Managing ink couldn't be easier. The IS-440 uses a long-life cartridge optimising ink yield and minimising replenishment.

Plus, the IS-440 will send you a Low-Ink E-Mail Alert so you can be sure your mail keeps moving. Thanks to the Click n' Snap design, changing ink cartridges has never been easier.

GIVE THE RIGHT IMPRESSION

Promote customer relations with printed slogans that enhance the professional look of your organisation. Select advertising slogans to reinforce the communication to your customers.

Use interfaced USB keyboard to input text directly to save and then print fully customised text messages with frank imprint for business promotion.
