Sustainability matters to us.

True performance isn't only about fast machine and efficient business processes. It's also about being innovative with sustainability. At Quadient, we've been implementing tangible, high-impact initiatives that cover every level of our business. From smarter recycling, reduced energy and valuable research partnerships to lower-impact shipping. We have even acheived the prestigious Energy star label.

Accurate Pricing

The **IS280** comes loaded with all postal rates, giving you the exact price for all its services. The integrated 2kg digital weigh platform accurately sets the machine to the correct value so there's no risk of over or under stamping. Calculating the correct postage is easy with our on-scren rate wizard.

Give the right impression

Enhance the professional look of your organisation. You can easily customise your mail message to include your company name, special greetings or marketing slogans to reinforce the communication to your customers. Your imprint will be sharp and fully postal compliant printing with the latest technology, the smaller IBI Lite, 2-D barcode.

About Quadient

Quadient is the driving force behind the world's most meaningful customer experiences. By focusing on four key solution areas including Customer Experience Management, Business Process Automation, Mail-related Solutions, and Parcel Locker Solutions, Quadient helps simplify the connection between people and what matters. Quadient supports hundreds of thousands of customers worldwide in their quest to create relevant, personalized connections and achieve customer experience excellence. For more information about Quadient, visit quadient.com.au

Easy-to-use

Shortcut keys give quick and easy access to frequently used settings. The **IS280** also comes with easy-to-install, high speed LAN connection for rate change updates.

Maximum Comfort

It's compact design, dedicated to the desktop environment, saves space for the user. It's large display offers ease of use when navigating through different menus.
