

INVITATION

Customer Experience Management
Education Session

quadi^{ent}
Because connections matter.

As part of the Back to Growth strategy, Quadiant moved away from a holding company of independent businesses in order to become an integrated company with a simplified, focused and synergistic offering of Software and Smart Hardware solutions. In order for its shareholders, analysts, investors to further discover these solutions, Quadiant will host several education sessions in the coming months, each dedicated to one of its solutions.

Chris Hartigan, Chief Solution Officer for the Customer Experience Management software solution, will host the education session relative to this solution on 19 October 2020. The event will include a live presentation, conducted in English and will be followed by a Q&A session.

Monday, 19 October 2020

6:00pm (French time), 5:00pm (UK time)
