

# / Business Benefits of Hosting Parcel Lockers

## THE PROBLEM

Consumers seek increased flexibility for deliveries, collections, and returns, leading to a rising demand for open network parcel lockers.

## THE SOLUTION

Available space at businesses can be used to host parcel lockers, creating a mutually beneficial opportunity to meet consumer needs while offering new revenue opportunities.

Any business can be a host, such as:

Supermarkets

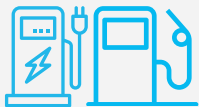

Local Stores

Retail Stores & Strip Malls

Public Transportation Hubs

Gas Stations & EV Charging Stations

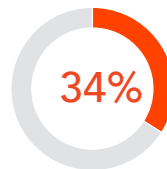

Car Parks

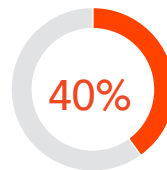

## BENEFITS OF LOCKERS

- ✓ 32% Of consumers parcel lockers are **proven useful** to pick-up or drop off goods
