

## GBC C800 Pro

### Binding Machine

The C800Pro is a high volume binding machine, combining electric punching with manual binding.

#### Specifications

- Electric punch Capacity: 20 sheets (80gsm)
- Binds up to 450 sheets (80gsm) - Using a 51mm comb
- 21 selector pins to accommodate any size paper
- Adjustable margin depth
- Robust aluminium construction
- Foot pedal included for optional hands free punching
- Easy to access high volume clippings tray

#### Features & Benefits

##### 1. Independent Binding Lever

Allows comb to be held open during the punching process further increasing productivity.

##### 2. De-selector pins

For unusual paper sizes such as A5 and Quarto.

##### 3. Paper side Guide

Enables perfect alignment along paper length.

##### 4. Easy to access high volume clippings tray

##### 5. Robust aluminium construction

##### 6. Adjustable Margin Depth

4 adjustable positions to accommodate different comb sizes.

##### 7. Open punch channel

For unusual paper sizes.

#### CombBind® Spines

This is our most conventional and affordable binding option. The spine lets pages lie flat, and you can easily make edits with a CombBind binding system.
