Simplify Your Document Process

A smart, versatile workstation to meet your mailing needs

Sending your customer communications is an essential part of your business. So having a mailing process that is fast and efficient is just as essential. With the DS-40i folder inserter, you can automate mail processing so that job completion can be cut from hours to minutes. When using a manual process, you lose time that could be put towards other valuable tasks. With the DS-40i, your automated process will allow you to refocus your time, cutting costs and allowing you to engage in a new way with your customers.

User-Friendly System

The DS-40i includes an intuitive 5-inch glass, colour touchscreen for easy machine operation. With the incorporated Wizard software, you will be able to easily program, adjust settings, and run your jobs; letting the software guide you each step of the way.

Design Versatility

Thirteen times faster than a manual process, the DS-40i's proven ease-of-use will allow you to complete your jobs quickly and efficiently. Its office-friendly clamshell design provides easy accessibility to all parts of the folding area and paper path.

Flexible Document Feeding

The DS-40i can work with a wide variety of documents, such as invoices, statements, inserts, and envelopes. With double feeding detection, you can rest assured that your communications are sent to the correct recipients. Give your communications a professional look and feel by choosing one of the four folding choices: Letter fold, single fold, double parallel, and tri-fold.

DS-40i
